

BLUETOOTH WIRELESS HEADSET

Listen to music, hands free calling, NFC device pairing

V7 Bluetooth wireless headset looks good and are so pumping you'll think you're standing in the middle of a club. Impress your crew with the easy one tap connection that lets you pair up with any NFC enabled Bluetooth smartphone, tablet, notebook or Apple's line of Bluetooth products. You'll be over the top when receiving incoming calls "hands free" by tapping the headphone to pause the music and answer with the built-in microphone. You can even change tracks, or adjust the volume without ever touching your phone or music device. The soft padded, contoured, ear pads are foldable so you can pop them in their custom tote bag and bounce whenever you need to.

Features & Benefits:

- Bluetooth® pairing with Near Field Communications (NFC) technology
- 33-FT range with a secure wireless Bluetooth connection
- Hands-free "Push to Talk" phone call answering
- Powerful wireless speakers with enhanced base and built-in microphone
- USB rechargeable built-in Lithium-Ion battery up to 10hrs on a single charge
